Tunji A. Sangoleye is an experienced consultant focusing on organizational development, talent management, performance management, and selection and assessment.

Since 2008, Tunji has focused his career on organizational development. As a professional, his job is to come in and assess the organization and run diagnostics to resolve issues from talent management to strategic planning.

Tunji has experience in leadership and organizational development from the Federal Reserve Bank of Chicago. Here he accessed the leadership team and overall assisted in re-aligning performance criteria and competencies as it aligns to banks overall purpose, mission and goals. He developed competencies from scratch, evaluated employee performance, and researched professional development programs to help employees. He also was a Consultant for HR outsourcing group at Aon Hewitt where he focused primarily on benefit administration. He managed a project management based team and managed the IT and call center of prospective clients. Tunji received his Masters in Industrial Organization Psychology in 2009 from the Chicago School of Professional Psychology and is now all about dissertation (ABD) in the process of attaining his PhD.

In addition to his professional life, since 2014, Tunji dedicates his time teaching at the Illinois Institute of Technology, Stuart School of Business in Chicago where he teaches extensive bridge course classes helping international students understand the U.S workforce and how to approach the job market. He is a member of a few professional organizations such as the Society for Industrial Organizational Psychology, SHRM, and the Project Management Institute.

Mr. Sangoleye dissertations focuses on looking at how National culture influences Leadership behavior. His master thesis is titled "Viewing Leadership across Working Generations: A Search for a Productive Approach". Tunji strongly believes in the Cause and Effect theory. He loves to analyze situations and breakdown problems to best fit a solution.

Tunji is a proud member of the Funmi Adewole Foundation where he recently visited Africa on a health mission as a documentary photographer. There, the team offered basic health care screening and care for native residents.

When he is not working with clients Tunji enjoys speed skating and swimming and is a proud "Swim Parent" of two boys.
